

Better Beaches Program

Request for Proposals

We are giving out over \$300,000 in grants to community members and organizations to put on free events on local public beaches!

Application open NOW until March 13

Whether you are part of an organization, an artist collective, or are a creative individual with a vision for a more diverse and activated waterfront, there are Better Beaches grant opportunities for you!

Grant applicants can come from any community, as long as their great idea centers one of our region's free public beaches in Nahant, Lynn, Revere, Winthrop, East Boston, South Boston, Dorchester, Quincy, and Hull.

The goal of the Better Beaches Grant Program is to give decision-making power directly to community members over community spaces.

We will be accepting applications via a Google Form **until March 13th** at <https://www.savetheharbor.org/better-beaches>. Our Better Beaches Grants Committee will review the proposals and notify you of our decisions by **April 7th, 2023**.

We want this process to be easy and collaborative, so please reach out to Maya Smith,
