

EDUCATIONAL PASSAGES

PLEASE GIVE

SO MORE STUDENTS CAN HAVE THEIR OWN MINIBOAT EXPERIENCE

www.educationalpassages.org/support

Connecting students around the world to the ocean and each other

EDUCATIONAL PASSAGES

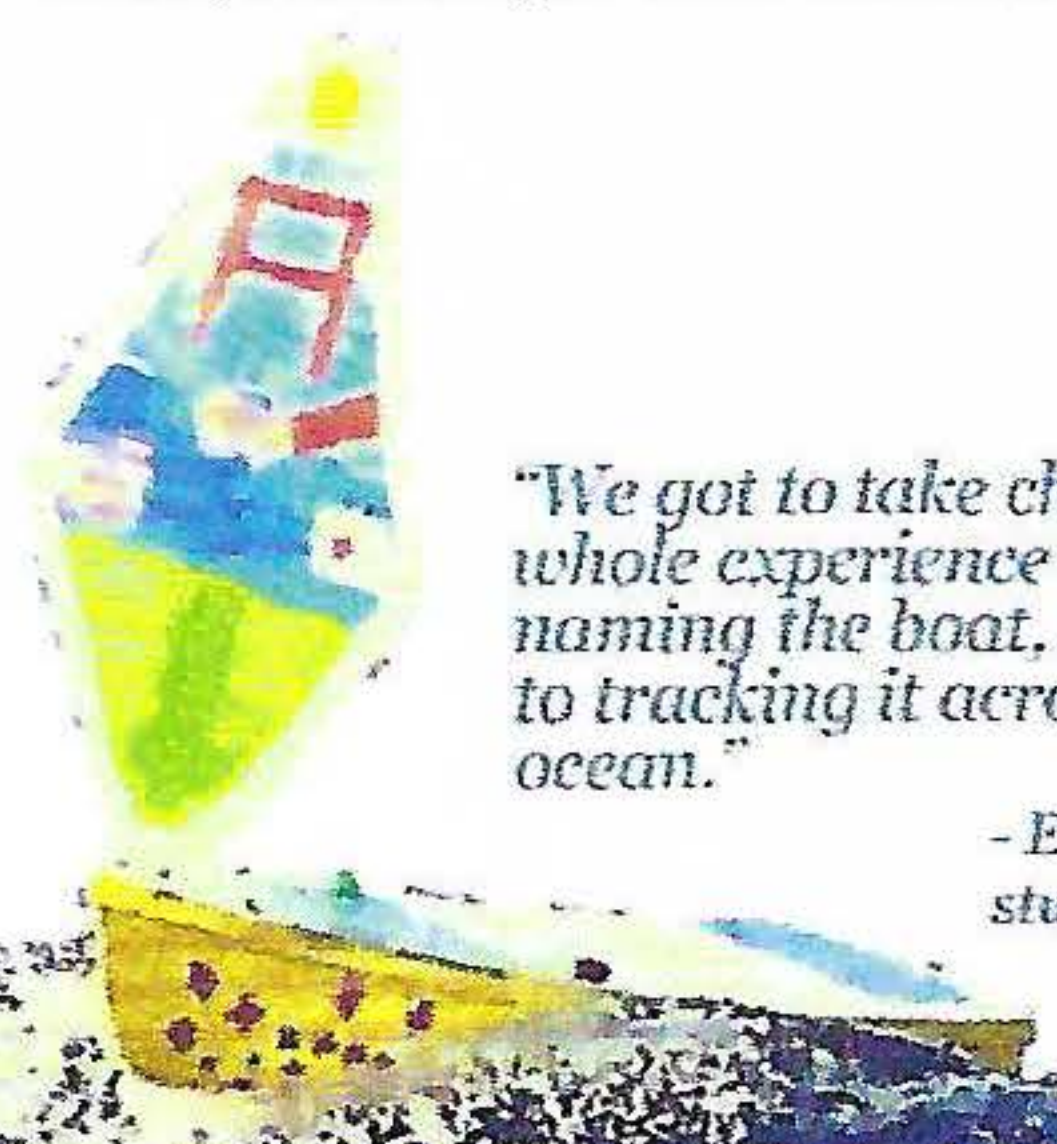

MINIBOAT PROGRAM

Students work together to prepare, deploy, and track their very own miniboat while learning about **ocean currents**, weather, technology, and more. Each 5-foot long unmanned miniboat has a satellite transmitter, allowing you to track it as it sails across the ocean. **Connect** with the local school and community where it lands and learn about cultures around the world. Our Miniboat Program empowers students to become **citizen scientists** and global ocean stewards.

The **Miniboat in a Box** package includes everything you need to get started: boat parts, supplies, instructions, and custom webpage for tracking. We will also help with launching and troubleshooting as needed.

Start your miniboat journey today! Visit educationalpassages.org/start or contact us: (207) 619-1259 miniboats@educationalpassages.org

"We got to take charge of the whole experience - from naming the boat, to building it, to tracking it across the ocean."

- Eliana, 7th grade student participant

ENGAGE your students in a transoceanic voyage

BUILD confidence and develop necessary S.T.E.A.M. skills

EXPLORE oceanography, geography, math, history, and more

EMPOWER the next generation of maritime professionals

EDUCATIONALPASSAGES.ORG

Your gift to *Educational Passages* helps to provide youth with the tools, skills, and creativity needed by the next generation of leaders - to connect people around the world to the ocean and each other.

- **\$6,000** helps to sponsor a group of youth and full miniboat program in their educational space
- **\$1,500** subsidizes one school program for an entire year
- **\$100** allows us to deliver more supplies and tools to paint, build, and launch boats for schools in need
- **\$25** supports one month of GPS data so students can track their boat online
