

# South Boston Yacht Club

1849 Columbia Road • South Boston, Massachusetts 02127

Greetings,

The year 2018 is not just another year for the South Boston Yacht Club. The year 2018 marks a significant milestone in the history of our Club and we will be celebrating our 150th Anniversary! The South Boston Yacht Club was incorporated in 1868 and throughout its history we have grown tremendously. Our Club provides Members and their families' happy times year round with boating, social activities, and every day social gatherings. Our Club/Membership is involved in our Community by sponsoring activities for South Boston Special Kids and the Morgan Memorial Adult Community program to name a few. We have welcomed Members of other yacht clubs from all over the USA to enjoy our facilities; we have even had members of yacht clubs from as far away as England and France.

As part of our Year of Celebration we are creating an Anniversary Yearbook to give to our Membership as a commemorative souvenir to share with family and friends.

We are offering the opportunity to advertise your business, or just to offer your congratulations to the Club and its' Members in our yearbook on this exciting Anniversary Celebration.

We thank you for your kind consideration.
