Chris Flahive - Owner

Dear MASS BAY,

I'm writing to introduce myself. My name is Chris Flahive and I am the owner of CPFProductions, a Boston-based Comedian and Entertainment provider. We have been producing stand-up comedy shows all over New England for over 6 years. We also book live bands, entertainers and can provide all your catering needs, but comedy is our specialty.

As a member, past Board of Director and Vice Commodore of the Chelsea Yacht Club for the past 19 years, I understand the need of a Yacht Club to provide quality entertainment for it's members at a reasonable price. At CPFProductions, we work closely with organizations to plan events that ensure members are going to have a great time while making and raising money.

We are currently planning our summer events and I wanted to reach out to you and see if your club was interested in hosting an event this summer. We are promoting and booking our **Off The Hook Summer Comedy Tour** which was a blast last year! We work with the biggest and best comedians in Boston, as well as some national touring comics.

We can sit down with your Board of Directors and customize a show specifically for YOU! Aside from putting the show together, we don't stop there. We can also secure catering and provide sound, music, live bands for after the show. We can also provide flyers and tickets and more! We don't just book your event, we execute your event from start to finish to make sure you have a fun and successful experience.

If you are interested in learning more about how we can help your organization make \$\$\$, reach out to me at chris@cpfproductions.com or call us at 617-981-0984 TODAY and let's get started!

I look forward to hearing from you soon and have a great day.

Chris Flahive
Owner, CPFProductions
