Join fellow sailors for Pelagic's 2022 season kickoff and orientation meeting. We will be discussing how to get involved in our upcoming day-sailing trips, cruises and calendar of events. Visitors and prospective members are welcome.

This event will be both an in-person event and a virtual event on Zoom.

Pelagic Sailing Club brings competent skippers and crew together with boat owners for their mutual sailing benefit. Pelagic members live and have boats in ports across Massachusetts, Rhode Island and Maine. The club organizes day sailing trips and overnight cruises each season along with a calendar of social events, skill building workshops, and guest speakers.
